

HSC MEDIA STREAMING SOLUTION

EXTEND REACH AND EXPLORE ENDLESS MONETIZATION OPPORTUNITIES FOR YOUR CONTENT

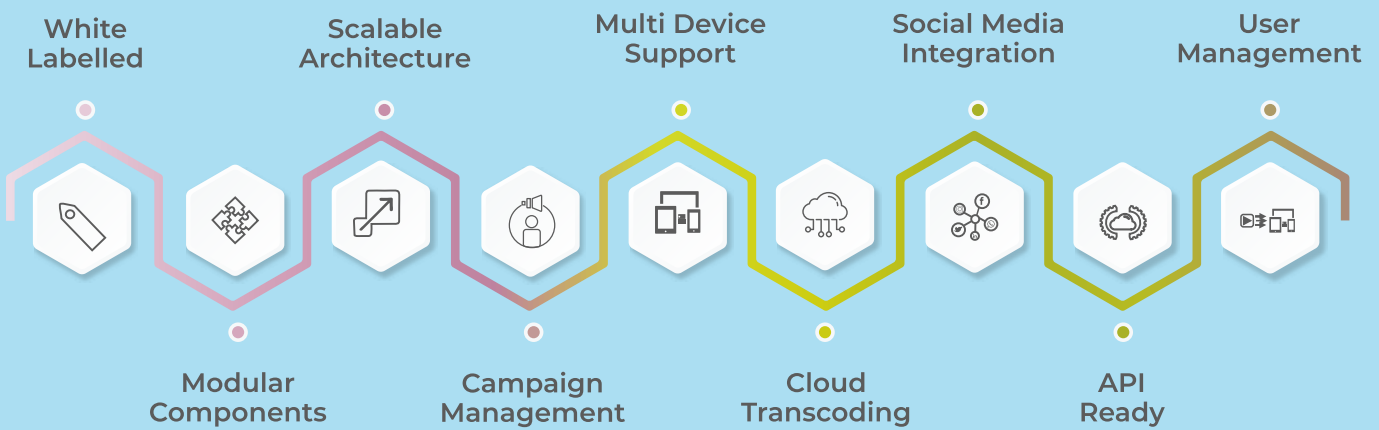

HSC's Media Streaming Solution enables the service providers, content owners or pay TV operators, to address their OTT needs and empower their viewers with an access to their complete repository of valuable content. It enables the service providers to manage and publish their content to all OTT platforms via its feature-rich content management dashboard.

Along with the flexibility of consuming Any-content-Any-Where-Any-Time-On-Any-Device for the end-users, the solution provides ease of search, discovery & recommendations.
